Promotion of [REDACTED] Request dated December 2, 1947

25X1A9a FOIAb3b1 FOIAb3b1

For approximately eight months [REDACTED] has been performing competently the duties of the proposed position, as described under Bu. No. F-118 (Information and Editorial Specialist, CAF-11). In addition, a vacancy in the position of Assistant [REDACTED] has made it necessary to give [REDACTED] overall responsibility for the [REDACTED] editorial selection and processing of broadcast material and its publication for local officials, directing the work of a large staff of locally appointed editors and clerical employees. [REDACTED] able acceptance of these larger responsibilities makes it particularly desirable not to delay his promotion to a grade commensurate with his normal duties.
